Tamper Evident Pails

E. Hofmann Plastics Inc. manufactures a line of Tamper Evident containers suitable for prepared foods, spreads, detergents, oil, joint compounds, stucco, adhesives and much more. Our state of the art technology delivers customers tamper resistant containers which provide product protection and a sense of security on the shelf. We hold our containers to a high standard and ensure they are easy to use. The polypropylene packaging is hot fillable, microwave and dishwasher safe, reusable and recyclable. Custom printing and design labels are available to ensure complete brand recognition. We carry a variety of stock sizes in our Tamper Evident range that are ready to ship!
