# Pureed Food and Dessert Cups

In addition to our range of Portion Cups, E. Hofmann Plastics manufactures a thermoformed, polypropylene cup perfect for pureed foods and desserts. With a 76mm diameter and EVOH barrier this portion cup offers an extra layer of protection and is ideal for applesauce, baby food, puddings and desserts. Our pureed food and dessert container are suitable for hot-fill, retort, in-package pasteurization, aseptic, ambient and cold fill applications. Contact us today for samples.

# Portion Cup
